KOMPOSTIEREN

in Fünfhaus

Dein Biomüll ist dir zu schade für die Tonne?

Dein Fensterkistl oder deine Baumscheibe braucht frische Energie?

Du möchtest gemeinsam mit anderen wertvollen Dünger herstellen?

Mach mit beim Gemeinschaftskompost!

Wir sammeln unsere Obst- und Gemüseabfälle, mischen sie in abgeschlossenen Behältern mit Häckselgut und kompostieren direkt vor Ort.

COMPOSTING

in Fünfhaus

Your organic waste is too good for the bin?

Your window sill or tree pit needs **fresh energy**?

You want to produce **precious fertiliser** together with others?

Become part of community composting!

We collect our fruit and vegetable scraps, mix them with brown material in a closed container and let them compost directly on site.

Zajedničko

KOMPOSTIRANJE

u Fünfhaus

Ako ti je biorazgradivi otpad žao baciti u kantu za smeće?

Treba li tvoje cvijeće novu energiju?

Dali želiš sa drugima proizvoditi dragocjeno đubrivo?

Sudjelujte sa nama u pravljenju komposta!

Mi sakupljamo otpad od voća i povrća, miješamo ga s usitnjenim materijalom u zatvorenim kontejnerima i kompostiramo na licu mjesta.
